To: Melton, Aubrey <AMelton01@bcps.k12.md.us>;

And to back Ms. Melton-- if you are interested in having your kids outside cleaning the campus and community-- I have plenty of trash bags available.

I do not have any plastic gloves left but have work gloves. Please see me before Friday. Also, an idea for here in the school is to get recycling containers for classrooms-- too many bottles are being thrown away.

And please try to get the kids to recycle the bottles and cans!!

Subject: Earth Day is April 22nd! Need ideas?

If you need assistance with Earth Day, here are some ideas!

Please let me know what you're doing so we can showcase it on the Greenschools page!! Part of our requirement is to have celebrations, and what better way is to celebrate Earth Day!
