

(4 sheets) 20

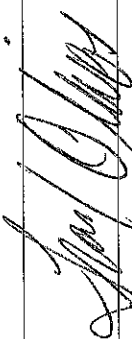

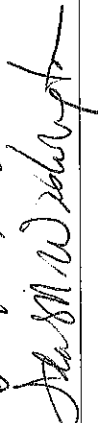

We, the students of Digital Harbor High School, want signatures in support of improving transportation in Baltimore City. There are many people living in poverty in Baltimore City who cannot afford cars. We feel the public buses are dirty, slow and unreliable. We also feel it is unsafe to ride bicycles on the city roads.

Do you support creating roads that run North/South and East/West throughout Baltimore City that are only for biking and walking?
